

Stephanie Cho

Director – Community Engagement & Administration

Stephanie Cho brings a unique combination of scientific, creative, and community leadership experience to the organization. With a Bachelor of Science in Molecular Biology and Biochemistry and professional experience in both science and the arts, she combines strong organizational skills with a passion for mentorship and inclusion.

Stephanie has over 20 years of community service and leadership experience and has actively supported youth mentorship and educational initiatives through organizations such as Science World's Super Science Club and the Templeton New Century Lions Club.

Her commitment to community building and inclusive environments helps strengthen the Society's vision and outreach efforts.
